

ACADEMY OF APPLIED SCIENCE

January 19, 2010

On behalf of the Academy of Applied Science and the United States Departments of the Army, Navy, and Air Force, we are pleased to invite you to attend the 48th National Junior Science and Humanities Symposium (JSHS), April 28 – May 2, 2010 in Bethesda, Maryland.

The 48th National JSHS will bring together over 360 participants, including 240 high school students who qualify for attendance through paper competitions held at 48 nationwide JSHS regional symposia. Adult leaders—high school teachers, university faculty, ranking military guests, and others—attend and join in encouraging the future generation of scientists and engineers and celebrating student achievement in the sciences.

A full program will be planned in cooperation with our hosts -- the Army Research Laboratory, Adelphi, Maryland, and the U.S. Army Research Office, Research Triangle Park, N.C. Visit <http://www.jshs.org> for program highlights and scheduled activities.

To register for the 48th National, please visit <http://www.jshs.org>, "National symposium section," and access registration forms at "I am a Guest" section. You will be prompted to enter registration data, including personal data and request for hotel reservations and meals. These attendance costs may be paid through our on-line secure server.

(Note: Attending military personnel should plan to pay the hotel directly for room costs even though your room reservation will be made by The National JSHS Office.) *Early registration is March 20; late registration is April 3.*

Upon receipt of registration details, the National JSHS Office will reserve hotel accommodations and assign tour preferences. Hotel accommodations will be at the Bethesda North Marriott, 5701 Marinelli Rd., Bethesda, Maryland 20852; Tel. 301-822-9200. Reservations should be made through the National JSHS Office.

The program dress is comfortable and casual. For the paper sessions, attendees typically dress more professionally. The dress for the banquet and awards ceremony is semi-formal. For all other symposium activities, you're welcome to wear slacks, jeans, shorts, tennis shoes -- whatever makes you feel comfortable and eager to learn and participate.
